

WEEK 2

Aim

To develop a Campus Placement Application for Anil Neerukonda Institute of Technology & Sciences (ANITS) using only HTML5 and CSS3, providing students with placement-related information.

Description

The application is built as a multi-page website using pure HTML5 and CSS3, without any backend or JavaScript. It consists of seven linked pages — Home, Registration, Login, Company Information, Placement Statistics, About Department, and Contact — connected through a common navigation bar and header. Each page uses semantic HTML elements (forms, tables, lists) styled through external CSS files to present placement department details, a student registration form, a login form, a list of recruiting companies, and placement statistics in a structured, visually consistent layout.

<h1>About the Training & Placement Department</h1>

<p>

Anil Neerukonda Institute of Technology & Sciences (ANITS)

has a dedicated Training & Placement Department committed to preparing students for successful careers through continuous training, skill development, industry interaction, and campus recruitment drives.

</p>

<p>

The department bridges the gap between academic learning and industry expectations by organizing recruitment drives, technical workshops, soft-skill training programs, aptitude coaching, mock interviews, resume-building sessions, and career guidance activities.

</p>

<p>

ANITS has consistently maintained an excellent placement record with leading multinational companies and core organizations visiting the campus every year. Students are provided with opportunities for both internships and full-time placements.

</p>

<h2>Department Objectives</h2>

Provide excellent placement opportunities.

Enhance technical and communication skills.

Develop industry-ready professionals.

```

        <li>Strengthen collaboration with companies.</li>
        <li>Guide students towards successful careers.</li>
    </ul>

About the training and placements

Founded by NRI philanthropist Dr. N.B.R. Prasad in loving memory of his late son, Anil Neerukonda, the institution is situated on a sprawling 12-acre campus. ANITS is permanently affiliated with Andhra University (AU) and has steadily grown into a hub of academic innovation, modern infrastructure, and research-driven learning. Through robust support from the Training and Placement Department, students frequently secure top-tier placements, with the highest package reaching Rs 12 lakhs. The college also operates as a recognized Business Incubator under the MSME Incubation Scheme, heavily fostering entrepreneurship and technical excellence.

Insights from the ANITS Community

ANITS students and faculty members emphasize the institute's commitment to delivering holistic education and career readiness.

"Creating tomorrow's technical leaders through world-class education, research excellence, and unwavering commitment to innovation."

- Anil Neerukonda Institute Of Technology & Sciences

"Home to the illustrious NAAC 'A+' honour, we're a cradle of greatness recognised by AICTE and Andhra University. Here, horizons are limitless, and dreams are the seeds of reality."

Department Focus

- Identifying employment opportunities for fresh engineering graduates.
- Building strong industry-academic partnerships.
- Providing a comprehensive campus recruitment training program.
- Organizing industry expert lectures, workshops, and interactive sessions.
- Promoting innovation and entrepreneurship development.
- Facilitating internships, industrial visits, and technical collaborations.
